Report of the President

We are still considering the use of the Grand Sierra Hotel in Reno for the MCOA Specialty. The Hotel is waiting to see how other shows fill up the rooms. It would be a great venue since it has conference rooms large enough to accommodate the dogs and vendors. There is also a lot to do in and around the Reno area.

Work on the REMC 2011 Specialty in Pleasanton, California is well underway. The Specialty will be held at the Fairgrounds October 22, 2011. Everyone is asked to bring one dish to share with others. Side dishes or desserts are preferred.
