Report of the President:

Thank you to Judge Roberta Riddick for her time. She couldn't stay and join us as she was off to another ring. Thank you to Judge Adrian Woodfork for your time.

It was a great Specialty. Although the numbers were down, the quality of dogs entered were a credit to their breeders. There weren't any dogs entered that shouldn't have been in the ring. Congratulate yourselves.

Judge Adrian Woodfork was acknowledged by the President and gave a congratulatory speech. He said he noticed that our club members treated each other with respect and that was wonderful to see. He said it was an outstanding Specialty.

He went on to say how important his dogs have been to him over the years. His dogs have provided companionship and at the end of a stressful day, they have provided him with unconditional love. Judge Woodfork thanked the club for inviting him to judge our Specialty.
